Your clients give you 4.9 stars. Does the internet show that?

This is the **Customer view**: I looked at A New Beginning the way a new client would. First what people say on Google, then what they find when they look for your website. Here is what I found.

Welcome!

A New Beginning to us means "Dreams do come true". Owning a bed & breakfast has been a dream of ours for many years and when the opportunity presented itself we had to say yes and pursue our dream. Staying in various bed & breakfasts over the years along the eastern seaboard has allowed us to experience the art of inn keeping and gave us the dream that we could do this, too. As a guest of A New Beginning, we will make your stay as comfortable and relaxing as possible. Please join us for a part of the simple life.

POINTS MAPPED FOR A NEW BEGINNING

I found 12 points. I unlocked 3 to get you started.

3 of 12 points unlocked in this diagnosis

1 UNLOCKED

It's hard to use on a phone

Most visits come from phones. Small text and zooming in make people leave in seconds.

2 UNLOCKED

Your best work isn't on the first screen

Visitors decide in about three seconds. The first screen should show your results, not generic text.

3 UNLOCKED

The site doesn't match the trust of your reviews

Someone who arrives from your 5-star reviews expects the same quality. An outdated site makes them doubt what they just read.

HOW I SOLVE THIS FOR YOU

From diagnosis to a website that brings clients

1

Strategy for your business

I define with you what makes A New Beginning different and what your clients search for before they choose. Everything else is built on that.

2

A custom, animated website

Design and copy made for you, fast and beautiful on phones, with your best work on the first screen. You approve everything before it goes live.

3

Trust from the first click

Your Google listing points to the new site, and the trust from your reviews continues there: real photos, testimonials and the people behind the work.

WHO WE ARE

More than 30 businesses served. Now arriving in the US.
